

Window & Door Series

LIMITED LIFETIME WARRANTY

FOR RESIDENTIAL HOME OWNERS IN HAWAII

Anlin Window Systems ("Anlin"), subject to the terms, conditions and limitations set forth below, warrants to the "Purchaser" of its Kuhina series vinyl window and patio door products and screens to be free from defects in materials or manufacturing.

This warranty is effective for all Kuhina series vinyl window and patio door products manufactured on or after November 1, 2018 purchased and installed in the State of Hawaii by Windows Hawaii.

WHO IS COVERED

This limited warranty applies to the original owner of a single-family residence (including condominiums) in which Kuhina series windows or patio doors are installed, whether as a part of new construction or as a replacement.

WHAT IS COVERED

This limited warranty covers defects in materials or manufacturing of Kuhina Windows & Doors Series. In the event of a covered defect, Windows Hawaii, on behalf of Anlin, will provide to the original residential home owner replacement parts, including labor at no charge for as long as he/she owns the residence. Anlin will provide to one subsequent homeowner replacement parts, including labor at no charge for a period of 10 years after the date of manufacture of the covered defective window or door. Should the original style or color product no longer be available, Anlin will, at its discretion, provide current products of equal or higher quality. Pet doors will be free from defects in materials or manufacturing for a period of 2 years from date of manufacture.

WHAT IS NOT COVERED

- Any products other than Kuhina Windows & Doors Series manufactured by Anlin Window Systems.
- Any products manufactured by Anlin Window Systems installed in a non-residential building.
- Damage or defects related by improper installation, storage or handling or failure to properly care for and maintain the Anlin Product.
- Damage or defects related to normal wear and tear, natural weathering, abuse, misuse, vandalism, natural catastrophe, acts of God.
- Damage or defects caused by paint, solvents, chemicals, after market films/tints, customer applied finishes, fumes, vapors, mildew or air pollution.
- Damage or defects caused by building settlement or structural failures of walls and/or foundations.
- Damage to Anlin Products that occur before installation is complete.
- Anlin Products that are installed in buildings that have a non-drainable EIFS or DEFS siding product.
- Damage that occurs as the result of water and/or wind intrusion and/or animal and/or people coming into and/or leaving the structure by way of the Anlin Freedom+ pet door. While Anlin Freedom+ pet doors will keep the interior of the building in which they are installed comfortable under most circumstances, they are not weather proof and the closing panel provided with the door is not a security device. Anlin will not be responsible for damages or other consequences that arise as the result of an animal or people (including small children) passing through or attempting to pass through the pet door either into the structure or to the exterior.
- Costs associated with: scaffolding, lifts or specialty equipment for installation of any replacement part.

REGISTRATION OF WARRANTY

THIS WARRANTY WILL ONLY BE EFFECTIVE if within forty five (45) days following completion of installation of the Anlin (Kuhina Series) products the attached registration is provided to Anlin by Windows Hawaii or Original Home Owner via fax, email or mail to Anlin Warranty Registration 1665 Tollhouse Road, Clovis, CA 93611. Warranty fax 559-322-1532.

TRANSFERABILITY OF WARRANTY

This limited lifetime warranty may be transferred by the original owner who owns and occupies the home when the products are installed to the next subsequent owner who also occupies the home on the following condition: Within 90 days of the transfer of ownership of the home from the original owner to the next subsequent owner, the original owner or the next subsequent owner must notify Anlin of the transfer of ownership. The notification can be by phone, mail or email, but must include the name(s) of the original owner, the name(s) of the next subsequent owner, the address of the home and the date of transfer. Failure to comply with this condition will result in the termination of this Warranty on the date the original owner no longer owns or occupies the home. If the condition is satisfied, the Warranty described herein will remain effective during the period stated herein from the date of manufacture.

ADDITIONAL LIMITATIONS

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE.

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER ORAL OR WRITTEN EXPRESS WARRANTIES, LIABILITIES OR OBLIGATIONS OF ANLIN.

IN NO EVENT SHALL ANLIN BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OF ANY KIND (OTHER THAN LABOR AND PARTS TO REPAIR OR REPLACE ANLIN PRODUCTS UNDER THIS WARRANTY), INCLUDING ANY DAMAGE TO THE BUILDING, ITS CONTENTS OR ANY PERSON, RESULTING FROM THE BREACH OF ANY WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT LIABILITY OR ANY OTHER LEGAL THEORY. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

This Warranty can only be modified, revised or changed by a writing signed by a duly authorized Officer of Anlin.

PROPER CARE AND MAINTENANCE

FOR ANLIN VINYL WINDOWS AND DOORS

Frame Cleaning:

- Vacuum dirt from sill and track areas before washing.
- Clean window and door frames with a mixture of mild dish soap and water.
- Abrasive or caustic cleaners or solvents are NEVER recommended.
- Always rinse completely with clean water and wipe dry.

Drainage Systems:

- Check to make certain the drainage or “weep holes” are always clear of dirt, stucco, sand or building materials, both inside and outside the window or door in the bottom of the frame.
- It’s normal for water to accumulate in the sill or track area with wind driven rain. The water is intended to drain to the outside as water builds up or outside pressure subsides.
- Keep sill or track areas clean of dirt or debris.
- Use a small, soft bottle brush to clear openings.

Glass Care:

- Clean glass with mild dish soap and clean water.
- Avoid washing glass in direct sunlight.
- Never use any petroleum-based cleaners or caustic chemicals on your glass.
- Never use a razor blade, putty knife or abrasive pad to clean the glass.
- Never use a high pressure spray nozzle when rinsing your windows and doors after washing.
- Abrasive or caustic cleaners are NEVER recommended because they might cause permanent damage to the finish/coating or the glass.

Screens:

Clean screens by first removing, then washing on a flat, clean surface with mild dish soap and water and a very soft brush. Rinse, wipe dry and reinstall.

Condensation & Mold:

- Condensation can be a natural occurrence in the home.
- Check all windows and doors for airtight seals.
- Open windows and doors whenever practical to allow interior moisture to escape.
- Regularly use ceiling fans to circulate the air.
- Use exhaust fans in rooms with high humidity (bathrooms/kitchen).
- Use dehumidifiers to reduce the amount of moisture inside homes with high humidity.

KEY DO'S AND DONT'S

- | | |
|---------------|---|
| DO: | Clean the frame surfaces. |
| DON'T: | Use a razor blade, putty knife or abrasive pad. |
| DO: | Use a glass cleaner or mild dish soap. |
| DON'T: | Use any petroleum-based cleaners or solvents. |
| DO: | Clean tracks and “weep holes.” |
| DON'T: | Use oil-based lubricants. |
| DO: | Check weather stripping and hardware. |
| DON'T: | Live with poor performing components. |
| DO: | Clean your insulated glass with proper cleaning agents. |
| DON'T: | Add attachments to the glass or frame without approval from window manufacturer. |
| DO: | Choose CERTIFIED (NFRC/AAMA) window and door products. |
| DON'T: | Settle for products that do not meet important water, air infiltration, structural and thermal performance standards. |
| DO: | Read and understand your manufacturer’s warranty and install per AAMA/manufacturer’s instructions. |
